

Customized high-return-loss adapter from Japan bestselling model

Overview

The Seikoh Giken SNA-1 FC/APC to FC/APC Fiber Adapter is a high-precision fiber optic adapter designed for low-loss and high-repeatability connections in demanding optical environments. XFS is a Contract Manufacturer (CM) making top-notch quality fiber connectivity products for brand-name fiber optic companies around the globe. Fiber optic adapters mate two ends of different fibers optic connectors, achieving the conversion between different connectors FC, SC, ST, LC, MTRJ, MPO, E2000, and so. Every payment you make on Alibaba. com is secured with strict SSL encryption and PCI DSS data protection protocols Claim a refund if your order doesn't ship, is missing, or arrives with product issuesThe MU to MU Simplex Fiber Optic Adapter is designed to extend MU simplex fiber links in single-mode networks where space efficiency is critical. Its compact, flange-less design. Spectrum Elektrotechnik GmbH offers a large variety of standard Connectors and Adapters. It would be needed a little bit shorter or longer, or narrower, or wider, or would have to meet special.
