

Finland Telecommunication Tower

Overview

Pasilan linkkitorni, also known as Yle Transmission Tower, is a 146-metre (479 ft) high TV tower in Pasila, Helsinki. There are three MNOs in one of the most sparsely populated countries in Europe - DNA, Elisa and Telia Finland. Elisa has the highest market share, sitting at around 39%. Telia Finland is the second MNO in the market with approximately 31% share, but it has seen its share decline from 34% as DNA. This is a list of buildings in Finland with a height of over 60 metres (197 feet), excluding churches.
