

How much does a fully automatic optical cable bundling machine cost

Overview

Prices for new machines generally start at around \$10,000 and can go up to \$100,000 for specialized units. In contrast, used bundling machines can offer significant savings, ranging from 30% to 50% off new prices. For cutting of cable (electric cable or optical fiber cable), unfold the cable from the cable spool, section-cut cable per preset length and quantity, wrap into coil loop and bundle automatically, unload and transfer coil-state cable to the storage rack. Prefeeding: Unfold and feed cable with. Battery: 6000 mAh/group, voltage 12V, fully charged, a battery can work more than 1600 times, about 6 kilometers or more attached. Attached hanging rod: 10KV insulated, made of insulated glass fiber reinforced plastic epoxy pipe, 1. Coated iron wire: 110 meters. Buy Fully automatic cable optical cable attached hanger high altitude cable hanger optical fiber communication bundling machine at Aliexpress for. Enjoy ✓ Free Shipping Worldwide! ✓ Limited Time Sale ✓ Easy Return. Inside packing: Anti-moisture nylon bag + Carton box + woven belt. According customer requirement.
