

# Huijue Distribution Box Stainless Steel Model

## Overview

The Huijue HJ-501 Low Voltage Electrical Distribution Box is designed for efficient, safe, and reliable power management in both residential and commercial environments. Crafted from high-quality stainless steel and steel sheets, this distribution box offers superior durability and corrosion. Feature highlights: This IP55-rated stainless steel enclosure is designed for outdoor use, featuring a brushed finish, anti-corrosion grade C3-M, and powder-coated surface treatment. It includes a universal mounting bracket, temperature-controlled fan, and grounding copper bus, making it ideal for. Huijue Group's Mobile Solar Container offers a compact, transportable solar power system with integrated panels, battery storage, and smart management, providing reliable clean energy for off-grid, emergency, and remote site applications. As a professional manufacturer in China, produces both. Custom IP 55 Electric Cabinet 3 Phase Power Distribution BoxDetailed ImagesOverview Company Introduction:Established in 2001, Shanghai Huijue Network Communication Equipment Co.
